## Spring is here!

*Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God—what is good and acceptable and perfect.*  
Rom 12:2 (NRSV)

Just stand (or sit) for a moment, sniff the air and listen. You can almost hear the leaves growing on the trees, greening up the air with their fresh, new-life scent.. Listen to the birds singing, the frogs croaking. And wait! what is that? Ah! the sound of teams forming for their upcoming Weekends! People organizing their Continuing Ministry schedules for the volunteers! Yes, indeed, we are now on the other side of the Vernal Equinox and gearing up for another productive year of Our Lord! Get ready for the warmer days of spring making their way to the hotter days of summer. Get ready for serving the Lord in the many ways we

serve in Kairos. How can we serve? Where can we serve? Is there a need for our service in an institution in your area?

We are urged to keep everything we do in PRAYER and to use the [2025 Daily Prayer Focus Points/Actions](#). In addition, the CA State **2025 FOCUS** point for all Kairos events is the word: **FIDELITY**. Fidelity, means faithfulness to a person, cause, or belief, demonstrated by continuing loyalty and support. Fidelity implies strict and continuing faithfulness to an obligation, trust, or duty.

Applying FIDELITY to the Lord's Kairos Ministry challenges us to follow the Program Manual guidelines, as closely as possible. A theme song has also been chosen for 2025, which is: "*Just a Closer Walk with Thee*". The **challenge is to measure every topic**, talk or testimony by asking ourselves if it draws us closer to our Lord and Savior, Jesus Christ and to our Kairos Community.

*Spring is far more than just  
a changing of seasons;  
it's a rebirth of the spirit*

## Prayer Corner

*Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you.*  
Matt 7:7

Let us pray! Again, Let, us pray!

In Matthew Jesus tells us to ask, seek, knock knowing God is always ready & willing to hear & respond! He desires an intimate relationship with us & for us to talk to Him about all things. Therefore, not praying can be costly to each of us. When we are tired and dragging at our low points and things are too much to bear, we are called to cast our burdens on Him to bear. Ask Him for HELP! PS 55:22 We were not created to these burdens alone! They don't go way but with Him helping you to carry the burdens they feel lighter as you walk forward in His assurance of a blessed outcome as you Ask, Seek, Knock! Amen & Amen!
